Nissan Forklift

Nissan Forklift Training Burlington - Nissan prides itself on reaching overall consumer fulfillment when their customer is enjoying one of their countless trucks, cars or forklifts. Nissan Forklift division is a wholly owned subsidiary of Nissan Motor Co. Ltd. They are committed to providing high value and meticulous quality values to their clients. Incorporating a prosperous heritage combined with strong manufacturing principals, Nissan Forklifts supply a few of the finest materials handling equipment the industry has to offer.

Nissan Forklifts has a short time ago added a European manufacturing warehouse in Sweden to sustain their worldwide forklift demands. Dedicated to delivering customer support, the business has four independent production facilities that permit them to persistently adapt to their customers continually evolving needs by offering a range of modern ideas and designs.

The Nissan Forklift North and South American base is situated in Marengo, Illinois. A loyal team of 350 personnel is committed to the collaboration, design and fabrication of their goods. Working under the ISO-9001 and ISO-14001 certifications, enables each sector of the Nissan Forklift Corporation to maintain environmental accountability by utilizing techniques that limit the worldwide impact of their products and processes. These high values remind customers that Nissan operates under the quality seal that their customers command while being an environmentally responsive corporation.

Nissan is quite confident that any of their consumers questions and customer worries directed towards them can be fully addressed. Always available through their website or by calling 800.871.LIFT, reaching one of their locally authorized dealers or even going to their Midwestern office, Nissan Forklift Corporation is certain you will be impressed with their warmth and dedication.
